

RiverStage Community Theatre (formerly *Milton Area Community Theatre*) was founded in 2003 and in its first nine years, the group has produced 16 shows, ranging from holiday-themed concert pieces, to classic musicals (*Brigadoon*, *Pippin*, *Chicago*), to more contemporary fare (*High School Musical*). In 2011, the group staged its first play (*Over the River and Through the Woods*) in a new venue, the newly-renovated Campus Theatre in Lewisburg. In 2012, we are producing an ambitious 10th anniversary season that will include 3 shows: a musical, a play and a live staged radio play. Building on our years of experience in Milton, we are branching out with more productions and more venues.
